

Pleasanton Art League presents A Half-Day Workshop

“Using Pan Pastels to Color Digital Photographs”

Featuring: Lisa Rigge

Saturday, May 13, 2023, 9:00 AM -12:00 PM at the Amador Recreation Center, behind the Pleasanton Aquatic Center, 4443 Black Avenue, in the Amador Valley Community Park

Lisa Rigge will be giving a demo and workshop on hand coloring black and white digital photographs. This workshop will cover the use of Pan Pastels and colored pencils to color the image. Pan Pastels are soft pastels in a round plastic container that are easy and forgiving to work with. We will have Pan Pastels, colored pencils and applicators available for you to use, along with digital photographs to practice on. However, feel free to bring your own photographs to work on. *Epson Ultra-Premium Presentation Matte Paper* is an inexpensive paper to use for this process. It is available from Amazon. Lisa also plans to have an experiential demo on mixing pastels with wet medium before applying it to your photograph. She will have the necessary supplies if you wish to play a little bit with this method as well. She continues to explore various ways of hand coloring. If you have questions about the workshop or printing out your work, please contact Lisa at Lbrigs202@gmail.com or call her at: 925 846-8149 (landline, no texts).

Lisa has been hand coloring photography for many years. She recently had a one of her hand-colored photographs published in *3Elements* in May, 2022. Other photographs of hers have been published in *Lens Work* and *The Sun Magazine*.

***The Cost is \$70.00 for PAL, LAA and DAC members, \$80.00 for non-members
Information and a Supply List will be provided after Registration. To enroll in the workshop, go to: <https://tinyurl.com/bdexwfsy> and Pay by PayPal or make a check payable to PAL and send it to: PAL Workshops, P.O. Box 23, Pleasanton, CA 94566.***

The workshop is open to artists 18 and older. Open to all levels. Class size minimum needed is 7 artists with a maximum of 12 artists total for this workshop.
