

PAL Presents: A Half-Day Painting Workshop, Featuring: Wei-Ting Chuang **June 10, 2023, 10:00 AM-3:00 PM at Kottinger Park, Pleasanton, CA**

“East Asian Brush Landscape Painting”

Landscape painting, often referred to as "Mountain and Water," holds a significant place in the art forms of East Asia. As Zhang Zao, a renowned artist from the Tang Dynasty, once expressed, "The artist, inspired by nature's wonders, creatively transforms them through their imagination into a unique masterpiece, capturing the essence of the human spirit." Drawing inspiration from tradition and our environment, we will continue to develop our unique style. This workshop is designed for individuals with little or no prior experience in East Asian (Oriental) brush landscape painting. You'll gain both knowledge and skills in this beautiful art form, while also enjoying precious moments of peace and meditation in the park. All skill levels welcome, no experience required.

Wei-Ting Chuang holds an MFA degree from Taiwan and specializes in East Asian brush painting and calligraphy. With over 20 years of teaching experience and numerous awards for her students' artwork, Wei-Ting conducts art classes from her studio in Pleasanton, sharing her heartfelt impressions of nature through various media. Her art reflects the influence of local culture and nature in California since she moved there in 2017, aiming to bring a calming and comforting vision of nature to others.
